

# Hevi-Shot® Social Media Sponsorship Application

Thank you for giving Hevi-Shot® the opportunity to sponsor your organization. We recognize how important your organization is in providing us additional and unique ways to connect to our customers.

To be considered for a sponsorship, please forward this completed form and all supporting documentation to the e-mail address or fax number shown at the bottom of this page. You will be notified if your organization has been selected to receive support.  
 Due to the extremely high number of sponsorship applications, we are not able to approve every request. Sponsorships expire at the end of the calendar year and must be applied for annually.  
 Only sponsorships applications submitted using this format will be evaluated. All requests will be evaluated and awarded based on available sponsorship funds as well as the criteria listed below. Each application will be reviewed and heavily scrutinized based on these criteria.

**Evaluation Criteria:** Tangible business benefits associated with sponsorship -- national scope -- opportunity to create long-term, sustainable relationships that allows Hevi-shot to connect to its target consumers and markets -- positive exposure consistent with our brand -- ability to create cross promotions

All requests for sponsorships are evaluated on a calendar year and must be applied for annually. To be considered for a sponsorship please send in your application as close to the beginning of the calendar year as possible.
